HEADQUARTERS NEW CADET BARRACKS
UNITED STATES CORPS OF CADETS
West Point, New York

23 April 1960

ADMINISTRATIVE MEMORANDUM
NUMBER 11

(Effective until 31 August 1960 unless sooner rescinded or superseded)

IMMUNIZATION AND BLOOD TYPING, CLASS OF 1964

1. New Cadets of the Class of 1964 will undergo immunization and blood typing in accordance with the following schedule. New Cadets will be formed alphabetically within a company and marched to the south boxing room of the gymnasium. Cadets will enter via the south door.

a. Dates:

8 July - Immunization #1 (Typhoid and Tetanus, withdraw blood for typing)

16 July - Immunization #2 (Typhoid and polio)

23 July - Immunization #3 (Typhoid and small pox)

13 August - Immunization #4 (Tetanus and polio)(three companies)

20 August - Immunization #4 (Tetanus and polio)(three companies).

b. Hours:

8 July	16 July	23 July	13 August	20 August
1650 1st Co	1425 3rd Co	1320 1st Co	0955 6th Co	0955 3rd Co
1715 2nd Co	1440 2nd Co	1335 2nd Co	1010 5th Co	1010 2nd Co
1740 3rd Co	1455 1st Co	1350 3rd Co	1025 4th Co	1025 1st Co
1915 4th Co	1530 6th Co	1425 4th Co		
1940 5th Co	1550 5th Co	1440 5th Co		
2005 6th Co	1610 4th Co	1455 6th Co		

c. Smallpox readings will be held in Central Area beginning at 1700 hours, 27 July. Companies will be formed and marched to inspection stations at fifteen minute intervals as coordinated by Cadet Battalion S-1.

d. Uniform for New Cadets will be under shirts, quarter-sleeve, with both sleeves pinned up, and gray trousers.

e. New Cadets are reminded that they will not be excused from taking the above listed immunizations unless the hospital has a properly authenticated record of previous immunization, within the time limits prescribed by Army Regulations. In case of doubt, the above prescribed innoculations will be given

2. A minimum of seven (7) members of the Detail from each company will accompany the New Cadets and assist in this immunization. The senior member of the Detail in charge of each company will report the company to the medical off on duty at the immunization station and turn in a list of absentees. After reporting the company to the medical officer on duty, all upperclassmen will rema outside until their company is ready to return to the barracks area. Uniform for the Detail will be white shirts, tie, and white trousers.

3. a. All New Cadets must attend the formation on 8 July. (Those New Cadets considered to have already completed their typhoid and tetanus series wil be excused from having them repeated).
