

FB will be held 21 to 24 October in Williamsburg VA.

All events will be selective. You can sign up for what you want to do. Ladies always welcome to play in the team competition or separately as you desire. You can take advantage of the reduced rates that I can offer. I can put you off first or last.

Mike and Babs Bowers have been gracious enough to host the kick off cocktail party.

I may shift Tuesday golf to the PM to get a better rate. The AM can be spent practicing or doing one of the many things available in Williamsburg Historic Triangle or shopping at the Outlets or recovering from the night before. I would entertain comments on this.

Wednesday we will go off in the PM so the cookout can begin as we get off the course. Sadly no cruise this year.

I am looking for restaurants that can handle between 30 and 40 for those who would like to dine together. Those with a better option should feel free to exercise it. I am checking out my favorites in town to see if they can handle us. More info to follow.

Cost will not exceed last year.
