

Classmates,

Since sending out an update on 2 Dec via the “golf64” and “infocentral” list serves we have received attendance commitments from classmates who are not subscribers to this list but rather were informed by word of mouth. Given the increased interest in the Mini-Reunion aspect of this event thought I would send out this update via the “Forum” to catch the remaining classmates.

We are now up to 106 classmates and wives (70 Golfers) planning to attend. (Also 4 maybes) As a frame of reference in 2010 we had 63 total attendees with 45 golfers. We have about 5 or 6 rooms unspoken for which if filled will give us “run of the house” at the Cordillera Hotel and Spa.

As in 2010 this is intended to be a mini-reunion/couples event. We will again have our Ryder Cup competition, but will also again have a non-competitive “Fun Flight” which will allow golfers of all skill levels (classmates and wives) to play and enjoy some of the greatest courses and views in the Rocky Mountains. Non-golfers attendees will be able to not only partake in the mini-reunion camaraderie but will also experience one of the premier resorts in the Colorado Rockies to include all the surrounding mountain activities. We will have pre-arranged activities for non-golfers but also have access to activities that others individually may want to partake. For example they have great fly fishing right on their property.

### Overview

1. **Venue** – The Lodge and Spa at Cordillera <http://www.cordilleralodge.com/> There is just nothing more I can say than this internet site will tell/show you; absolutely 5 Star. Our negotiated rate is \$169 per night per room (Single or double occupancy) which includes a fabulous breakfast; and the \$30/night/room resort fee has been waived.

2. **Schedule overview:** 29 July – 2 Aug, 2012

Sun - Arrival, reception, and practice round if desired

Mon, Tues and Wed – Golf and non-golfer mountain activities with dinner each day

Thur - Departure or optional golf.

3. **The Ryder Cup** Competition Czar is Frank Giordano. The East Captains are Larry Brewer and Mike Conway and for the West Terry Rusnak and Stan McLaughlin.

4. **Non-golfer** Activity Czar is Rand Kunkel. Randy will be floating a strawman to determine just which of the many activities will be of most interest to the group.

In early spring we will distribute via email the official registration form along with the hotel registration information. To help keep our costs to a minimum we will not be sending out anything via US mail but rather will do everything via e-mail. (This worked very well in 2010) I am this week increasing our “commitment” number with Cordillera to reflect our increased attendance. We will never “close” registration as long as rooms are

available but until we lock in the last 5 or 6 rooms we will be at risk of losing them to other non-'64 resort users. So if you are not currently on the attached list but intend to attend, please let me know the following ASAP:

1. That you plan to attend and whether your wife will or will not also attend.
2. Will just you, just your wife, you and your wife, or neither of you play golf. And will the person(s) golfing play in the Ryder Cup or the Fun flight.

Attached is a list of the currently committed attendees. For those of you who may not receive the attachment shoot me an email and I will forward it directly to you.
