Spouses may play golf for \$25 per round, if they wish, so bring clubs!

In addition, we will be playing our "Away" round at Tryon Country Club, an early Donald Ross designed course that I believe you will enjoy. Typical of early golf courses, it was built to incorporate the contours of the countryside as they naturally occurred, the greens are small, and you can see where you are hitting at all times. It is a ten hole layout that typically plays nine or eighteen holes. This is Peggy's favorite course. I am still negotiating, but the total cost of this round will be less than \$50. You can see a couple of views at:

<http://www.tryoncountryclub.com/>

We will have maps and directions.

This is an early invitation that is being sent to those of you who have supported this event and to those who have made the good attempt to come but were unable to attend for whatever reason.

Please sign up with Lacy as soon as possible so I can determine how many rooms we will have available for the open invitation. And please let me know when you sign up so I don't have to bug Lacy all the time.

If you have any questions, please give me a call or an email.

Thanks, and looking forward to seeing all of you in April.
