Andy Andreson called the Class Meeting to order in the Ballroom of the Higgins Hotel at 1839 hours, 6 Oct 2021. The meeting was held during the Class Mini in New Orleans LA. Twenty-six classmates were present.

Acknowledgements

Andreson introduced the Class president, Jack Bradshaw, who thanked the attendees for coming, the Sands for hosting the event (twice in succession), Andy and all previous Chairs of the Executive Committee for devoting their time and energy to the Class, Terry Connell for terrific work with the 'Death Notices' and Russell Roberston, who attended, (George R Robertson's, H-1, son) for his work supporting the Class through his service on the Perpetual Endowment Board.

Be Thou at Peace...

Andreson read the names, by company, of those classmates and spouses who have passed since the 60th reunion, and noted the key role of each company's CCQ in reporting these deaths to Terry and in keeping all informed and feeling together.

EXCOM Membership

Andreson nominated Mike Daley as an 'at large' member of the Executive Committee, noting his continuing close relations with the AOG management. Tom Sands seconded the nomination and Mike was elected by acclamation.

There being no further business, the meeting was adjourned at 1915.
