

## Class Gift

Last Updated Sunday, 17 May 2009

The Class of '79 Climbing Wall has been a tremendous success and the class is "leaning forward in the foxhole" for our next gift. Bert Mizusawa is chairing the gift selection committee and Doug Doan is chairing the gift fund raising committee. The class has accepted the challenge to raise \$2.5 million toward our next gift.

Doug has prepared a pledge card that classmates can use to make their donations to the class gift fund. These donations can be one-time gifts or monthly or yearly contributions. Several classmates have already made very generous contributions. Please follow their example and make your pledge to our class' next gift!
