

1980 NYC TOUR INFO

Thursday September 17, 2015

Anyone who signed up for the NYC Trip , both the water taxi trip and self touring, needs to meet in the front lobby of the Park Ridge Marriott Hotel on Thursday morning. Since this event occurs prior to registration there is no ticket for the event but we will be checking your name off of our list if you are prepaid. If you pre-purchased a ticket for the water taxi, you will be issued the ticket at the bus.

We will be leaving the hotel at **8:00 AM and loading at 7:40AM**. The return to the Park Ridge Hotel from Pier 79 will be at **4:15 PM with boarding at 4PM**.

Our intent is to get to the Pier in order to be able to board the first water taxi out which leaves at 10 AM Those taking this water taxi, and wanting to go to the 9/11 Memorial, will be able to disembark at Battery Park at 10:25 for the 15 minute walk to the area of the Memorial. While touring the memorial does not require a reservation or have a cost associated with it, those interested in MUSEUM tours would need to make those arrangements in advance (800-220-6282). You should plan a reservation after approximately 10:45 noting that you need to be back at the water taxi return stop at least 15 minutes prior to the 2:55PM departure to Pier 79 to board our hotel bus there beginning at 4PM For those who are self-touring you need to be back at the pier where we started before 4PM to board the bus to the hotel. The address for the departure point of the bus is: Pier 79 on West 39th Street and 12th Ave.

The addresses of the stops after starting from Pier 79 are:

- Pier 45 on Christopher and West Streets
- Slip 6 in Battery Park on Battery Pl and State Street (**this is the stop for the 9/11**

Memorial and is a 15-minute walk to the Memorial)

- Pier 11 on Wall and South Streets
- Pier 1 in Brooklyn on Water and Furman Streets
- Red Hook dock--added in 2015--Van Brunt Street

If you decide to spend your time at the 9/11 Memorial and Museum the last water taxi that will get you back in time for the 4:15 PM bus departure is the 2:55 PM water taxi from Battery Park. So if you miss the 2:55 water taxi you will have to take a cab back to the pier.

Should anyone have any issues while on this trip, you will need to notify via phone, the class aide who will be accompanying you on this trip. His cell phone number will be given to you at the time of boarding.

If you know you are going to miss the bus please call the class aide.

Looking forward to a great day.
