Last Updated Tuesday, 05 February 2008

Society and Class Leaders assembled at West Point 16-18 August for their annual conference. Conference materials are posted on line at the new AOG website. Recommend you give it a browse to update yourself on activities at the Academy; a run down by the Supe, LTG Buster Hagenbeck, and an admissions update, to mention a few of the items. You must log on to access them.
