Please ensure your e-mail is up-to-date at AOG ( Details follow). E-mail is the primary means of communicating with the class. Classmates without an accurate e-mail address on file at AOG will not receive important information regarding class officer elections, 25th reunion, and other class events. Our information systems officer, Mike Lyons, and I are very judicious with the use of the class e-mail distribution list to ensure you do not receive spam.
