Class Information

Class Online DatabaseThe full fledged online class roster. Email addresses, snail mail addresses, business and more. Lots of search capability to help you find old friends and people who live near you. The site is password protected. The userid is usma87 and the password is the last name of the Father of the Academy (make sure to capitalize the first letter!)

Class Emailing Lists

We have two emailing lists you can join. One is intended for class announcements and the other for anything goes debating. The most real time way to keep up with class news.

Old Class Assembly Articles

Donna and Ted McAleer have provided our old class Assembly articles to posted online. We delay posting them since our Assembly subscription rate is lousy so if you want to see them quickly, subscribe to the Assembly.

Current Class Officers - Listing of our current class officers

Old Class Officers 1987 - 2004 - Listing of our previous class officers

Class Constitution - The class constitution.

Class By Laws - Class By Laws.

Rest In Peace - Listing of our deceased classmates

WP-ORG InformationJust some of the services WP-ORG offer the West Point community.

Ward Book

Jack Ward, '64, began a tradition of gathering his class history and publishing it every five years. WP-ORG has put the Ward Book online and expanded it to all classes. Login and put your history of your part of the Long Gray Line online.

Free Permanent Email Addresses

WP-ORG offers each graduate a permanent email address for free. The address can be used to forward email to your main account or as a full fledged email account with POP3 and web mail access.

Free Personal Home Pages

Create you own personal home page or provide a link to your home page elsewhere.

Job-Bank

The grad's online job networking center. Look for jobs or post your openings.

Virtual Domain Hosting

Host your own dot.com with WP-ORG.

WP-ORG Amazon.Com branch storeSame low prices you get at Amazon.com but WP-ORG earns a commission.**Association of Graduates**
