For such high-end quality, Pimzlo can do a better job than Printroom and can customize the order to your exact specifications. As with all of Pimzlo's services to our class, Ross has also generously offered to direct any profits on such custom orders to our Class Gift Fund.

Class Gift Fund: All of us who were able to attend our terrific and memorable 20th Reunion have already benefited by the generosity of Pimzlo by having paid less for attending the reunion since neither we nor our Class paid anything toward the expenses that would have been incurred to hire and pay for professional photography services. (Remember that Academy Photo charges retail prices. Further, fortunately Pimzlo was there to take our Class Group photos after the Alumni Review because Academy Photo did not stay after the parade to do so.) For those of us who were unable to attend the reunion, we missed you. Nonetheless, we welcome your orders, all of which are steeply discounted from typical retail pricing (and all profits will go to our Class Gift Fund).

Ross Whitaker's patriotism, generosity and friendship with Charlie Rogers and Bernie Banks are what made this all possible. Ross also hopes that the donation of his company's valuable time and resources will help our class to raise a meaningful amount of money toward our Class Gift Fund.

Our work here continues...

- Interviews - As many of you recall, a number of us were interviewed by Pimzlo during our reunion. Pimzlo is paying to have the many hours of interviews transcribed. We will make the text available to the class in the near future.
- Class photo download depository - Look for information in the near future that will guide us on how to download photos we have all taken over last 20 years. We plan to make them accessible to the class on-line. Please use your good judgment (no embarrassing ones, only ones we would be proud to appear in the NY Times or some other publication)

Special thanks to Bernie Banks and Charlie Rogers for their tireless efforts in working with Ross Whitaker's team at Pimzlo in turning a generous idea of memorializing our 20th reunion events into reality.
