Moderators

Moderator Listserv Information

The moderator listserv is used by the moderators of listservs serviced by WP-ORG.

This list is available to list owners only. It is established as a means for the owner/moderator of the various lists in WP-ORG to communicate and exchange ideas, plan for events, and discuss issues concerning the maintenance and development of WP-ORG. Each listserv has an accompanying web page.

Each moderator follows these simple by-laws:

 - Be a point of contact for a given list.

 - Be a chairperson of a list -- that means, accountable for the conduct of members.

 - Be a keeper of the membership list -- that is, approve or deny membership and keep the membership addresses prestine.

 - Be a mentor to a new moderator.
For information, please email to moderator-owner@west-point.org and one of the veteran users will respond to you (if not several).
Aspiring Moderators

If you aspire to become a moderator, please contact moderator-owner@west-point.org. We are always looking for someone to sponsor listservs or homepages for the following groups:

 - USMA Classes

 - West Point Parents

 - West Point Societies
Academy Clubs
Local Networking Groups
A new moderator will receive the following by e-mail:

The listserv name
listserv passwd
listserv Owners
URL for the web page associated with the listserv
FTP access
Owner Username/Passwd
Name and email of your moderator mentor

Moderator Resources

Note that many of these pages require the username and password of the specific moderator in order to access them:

 - Moderator Tutorial or write to Moderator Training for self-paced admin course.

 - Admin Tools

 - Global Address Change: Change User's Email Address on All WP-ORG Majordomo Lists

 - Global Unsubscribe: Unsubscribe User's Email Address from All WP-ORG Majordomo Lists

- Global User Find: List All WP-ORG Majordomo Lists Where User is Subscribed

- List Administration: Work With Your WP-ORG Majordomo List

- Registry & Cullum Numbers

- Change Your Password

- List Archives [Search]

- Listservice Directory

- Listservice Message Count
