

New Photos From 9/11 Attack at Pentagon

The FBI released an archive of photos showing the devastation at the Pentagon in the wake of the 9/11 terror attacks.

A total of 27 photos were uploaded to the FBI website "FBI Records: The Vault" under the page name "9/11 Attacks and Investigation Images."

The photos show fragments of American Airlines flight 77, which left Dulles Airport outside Washington, D.C., around 8:51 a.m. ET that morning. While on its way to Los Angeles, the plane was hijacked by Al Qaeda terrorists and crashed into the Pentagon at 9:37 a.m. ET.

Efforts by firefighters to combat the ensuing blaze and emergency responders rushing to the scene are included in the collection.[Read More...](#)
