

CADET

IT ALL STARTED WHEN...Two former cadets and USMA grads with a shared love of photography recognized a lack of artistic portrayal of cadet life. So, they set to the task of putting together CADET.

CADET is an online publication covering a variety of topics related to the U.S. Military Academy + the life of it's cadets including diverse perspectives from current and former cadets, family members, and sometimes, perfect strangers, as well as original photography.SEE MORE...
