SUPPORT OUR UNITED STATES MILITARY ACADEMY CADETS!

Be a Sponsor to the PARENTS CLUB OF WEST POINT (PCWP).

Sponsorship donations support current U.S.M.A. cadet activities such as conference fees and sport team travel, International internships and study abroad, purchase and coordination of packages of supplies for our deployed graduates and their soldiers, and for Global Leader cadet activities. A small percentage is donated back to PCWP, a 501 (c) (3) organization, to insure the expansion and success of the Club outreach in the New York and New Jersey communities and for speakers and activity site fees.
