Good Afternoon from a very rainy West Point!

We know you have been anxiously awaiting information on the TEE schedule.

TEEs Term End Exams (Final exams for the semester) Thank you for your patience!

The TEE schedule has been modified allowing all cadets to complete their TEEs no later than Thursday December 20 at 6:30 p.m.

TEEs will begin on Saturday, December 15 with two exam periods that day; 11 a.m. 2:30 p.m. and 6:30-10 p.m.

No TEEs on Sunday!

The majority of the plebes and yearlings (with standard schedules) will take one TEE per day.

The TEE schedules will be visible for cadets to see on Tuesday, October 23.

Working with the bus coordinator to ensure there are buses available at times appropriate following the exams.

For those with the later exam period on Thursday, there will be an early morning bus on Friday, December 21.

Please be sure to check with your cadet regarding their schedule.

Questions ? please let us know!
Again, thanks for your patience.

Best wishes,

Deb
