We had hoped to receive enough donations to cover all the Illinois cadets' tailgate costs. However, we have received enough donations to cover the cadets of dues paying WPPC-IL members.

If you wish to invite your cadet's room-mates, squad, platoon, etc, please include them when you register and pay. Also, if you can't attend the game/tailgate, but would like your cadet to attend, please register them as well. **Donations to help defray costs or sponsor a cadet are always welcome!**

If you are driving out to West Point that weekend, please let us know as we may need a little extra cargo space for tailgate supplies.

**Cutoff for registration: **October 1, 2015****
