Class of 2010  
Parent Information

OFFICE OF THE SUPERINTENDENT  
**UNITED STATES MILITARY ACADEMY**  
WEST POINT, NEW YORK 10996-5000

Dear Parents of Cadets in the Class of 2010:

I am very pleased to invite you, your family, and friends to West Point for Plebe-Parent Weekend, Friday, October 13 thru Monday, October 16, 2006. Plebe-Parent Weekend is dedicated to you and your cadet and provides a great opportunity to spend quality time with your son or daughter. You will also have the opportunity to meet your cadet's tactical officer, tactical noncommissioned officer, academic instructors, and mentors.

Numerous interesting and enjoyable activities are planned for your visit. Plan to arrive no earlier than Friday, October 13th. Although classes on that day conclude at 3:50 p.m., the Reception Center at Eisenhower Hall opens for your convenience at 8:00 a.m.

The weekend's events continue on Saturday. At 8:30 a.m., the Commandant will provide you with an update on the Academy. My staff will be present to answer any questions you may have. The day will also afford you an opportunity to visit the Dean's academic departments, meet your cadet's instructors, and learn more about our academic program. Saturday concludes with a Formal Hop in the Ballroom of Eisenhower Hall.

Sunday and Monday afford you maximum time with your cadet, who must return to our regular schedule no later than 6:30 p.m. on Monday, when the weekend formally concludes.

For your safety, as well as that of our cadets and community, we conduct routine vehicle security checks at our entry gates. We also limit parking near the cadet area. In view of this, I encourage you to enter West Point through the Stony Lonesome Gate and to park in the designated letter lots (B, C, and E). Please take full advantage of the post shuttle-bus service we have established for your convenience during this weekend. Additionally, allow yourselves ample time to get through the gates and remember that all guests aged sixteen and over must possess photo identification at all times.

The United States Military Academy team looks forward to seeing you soon. Go Army!

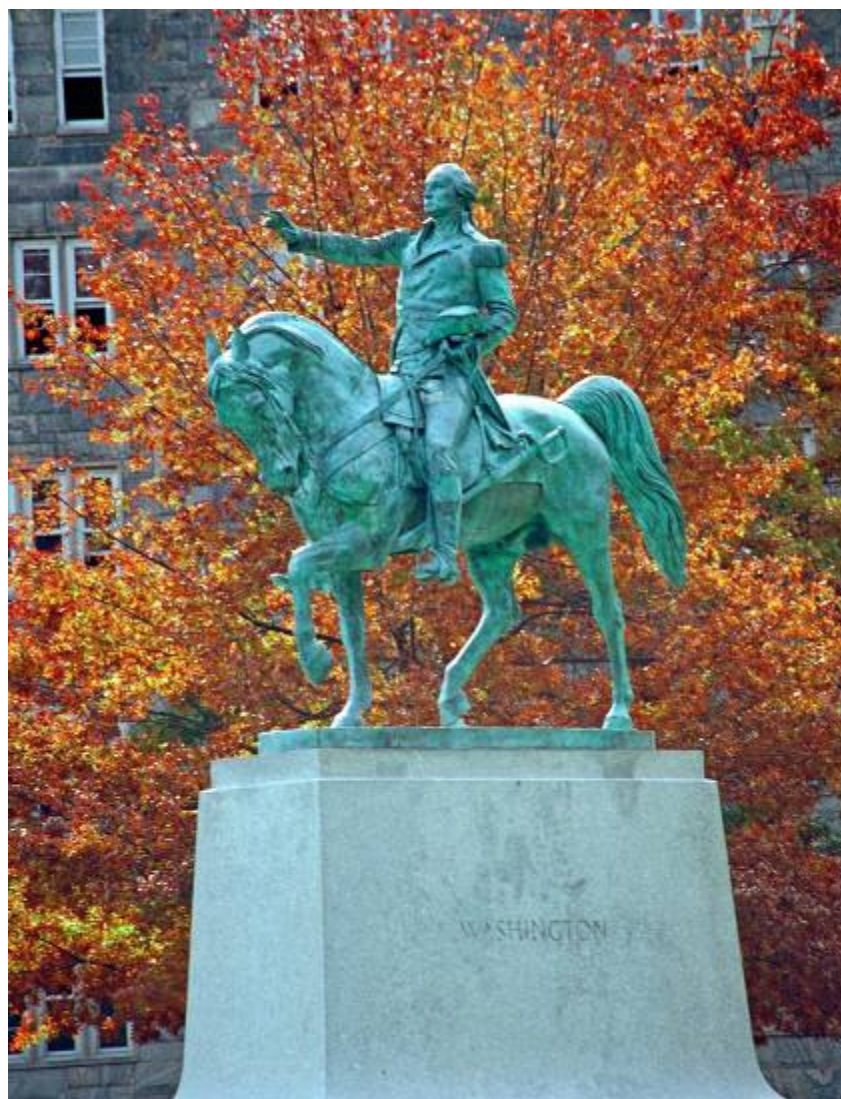

Sincerely,

A handwritten signature in black ink, appearing to read "F.L. Hagenbeck".

F.L. Hagenbeck  
Lieutenant General, US Army  
Superintendent

## Plebe-Parent Weekend 2006

The U.S. Military Academy will hold its annual Plebe-Parent Weekend Oct. 13 to 16 for families and friends of the Class of 2010. This event gives the plebes an opportunity to show their loved ones how much they have accomplished during their first few months here.

Anyone planning to attend PPW should first discuss all plans and arrangements with their cadets and then reserve a hotel room as soon as possible. This booklet and The *West Point Parents Almanac* are good reference tools and the Plebe-Parent Web site at <http://www.usma.edu> provide the most current information.

All visitors should use Stony Lonesome Gate to enter the installation. Please remember that security measures require all visitors age 16 and older to have valid photo identification in their possession. Once inside, parking for PPW events is available in the lettered lots (B, C and E).

PPW attendees are required to use the shuttle bus service that leaves from A-lot. Shuttles will travel in a circular route to all major West Point areas and be clearly marked. Shuttle bus schedules are included in this booklet and available at the Reception Center.

Parking for self-contained recreational vehicles will be at North Dock. All RVers should make sure they have an alternate off-post plan in case North Dock is not available. Utilities are not provided, however, the West Point Sewage Treatment Plant can be used to empty holding tanks.

Everyone attending PPW should make sure and visit the Plebe-Parent Weekend Reception Center in Eisenhower Hall. The Center will be open all day Friday and Saturday morning and visitors can find information on PPW events and schedules there, including the special *Pointer View Plebe-Parent Weekend Supplement*.

Many of the public facilities at West Point are available to visitors with special needs. If you need a handicap-parking pass for a family member, please ask your cadet to request one. If you are concerned about building accessibility, please call the Equal Opportunity Office, Monday through Friday, during normal business hours at (845) 938-3052/4478.

There are many interesting and informative events planned for family members and friends. Some of these include: Welcome by the Leader Team, the Cadet Review, the Tactical Officer Orientation and Barracks Open House, the Academic Open Houses, Department of Physical Education Open House and Demonstration, the Banquet, and the Formal Hop.

The local community has also planned some special events for PPW attendees. Highland Falls will hold their annual Fall Foliage Festival Oct. 14 and a Farmer's Market Oct. 15. Both events take place on Main Street in the heart of the town.

Finally, not all friends and family members can come for this great event. If you know some plebes who will be alone for PPW, please ask your cadet to include them in some of your family's activities. If you have any questions concerning this booklet or the events planned for Plebe-Parent Weekend 2006, please contact your cadet's Tactical Officer at the telephone listing on page 22.

The West Point Leader Team looks forward to your visit during Plebe-Parent Weekend 2006.

## WEST POINT PARENTS CLUB INFORMATION

1. Parents of West Point cadets experience unique challenges as their sons and daughters undergo a rugged and demanding training program. Membership in a West Point Parents Club offers an opportunity for mutual support, fellowship, and access - useful information about the Academy and cadet life. At present, there are more than 100 clubs throughout the United States and abroad.

2. The goals of these independent organizations are as follows:

- a. offer opportunities for fellowship and mutual support among cadet families.
- b. - provide a means of communication between the Academy and cadet parents.
- c. - enhance the image of the United States Military Academy in the local area.
- d. - promote interest in attending the Academy.

3. Typical club activities are meetings, summer gatherings - welcome new cadets and their families, informal get-togethers, and holiday balls. Most clubs communicate information - their members through newsletters, telephone chains, individual telephone calls and/or electronic mail.
