

Volunteer Activities

Friday, 20 February 2009

You can volunteer your time to help the West Point Society of Atlanta in the following ways:

- USO: Meet and greet soldiers at Hartsfield-Jackson Airport with the USO. The society does this on a periodic basis. The POC is Dave Taylor '68 at dltaylor@pantelisinc.com so please contact him for more details.
- WPCEA: The West Point Charitable Enterprises of Atlanta is a tax-exempt 501(c)3 organization supporting charitable activities which encourage youth leadership development. Activities are selected for emphasis on character, intellectual and physical development consistent with the ideals of West Point. See the web site for more details:
