This is not a typical run/race. There are no Awards being presented for this run. It is a non-competitive event, designed to honor the lives of our Fallen Warriors.

Each participant will receive a running number that corresponds to a particular fallen warrior. In their packet, each participant will also receive information on the person they honor by their run. This will normally include the fallen warrior's name, rank, branch of service, and date of death. When available, additional information about that person and a photo will be provided.

We will use a continuous start procedure that will allow each participant to start individually or in small groups, beginning and ending at the fallen comrade display and following a one mile loop through the cross country park. This will allow the focus to be on your run/walk, and the long line of fallen, symbolized by the long line of individual runners/walkers.
