We have our next Society meeting scheduled for the 19th of May at the Veteran's Museum and have arranged for a speaker, Mr. Stender to come and talk to us about the Veteran's Memorial that is to be built downtown near the Depot. It turns out that the AUSA is conducting it's Tactical Missile Conference during the same period of time.

I still hope as many of you as possible can attend our meeting – after all it is a free lunch (I know many of you have gotten your corporations to pay for your lunch at the VBC to hear LTG Riley speak) and the BBQ in the past has been excellent.

Please sign up so we know how much food to order!
