

PARKING and SHUTTLE BUS SCHEDULE
30-Year Celebration – 2006 West Point Women's Conference

Because of our current security posture, we have increased our vehicle checks at the gates and have prohibited parking near the cadet area. Every person in your vehicle 16 or over must have photo identification and cars without DoD stickers will be searched.

Please **enter West Point** through **Stony Lonesome Gate**, park in the **designated lots (A & B)** and take full advantage of the shuttle bus service during the conference. The lots are on the right as you come down the hill from the gate, just before Michie Stadium, and will have **"SPECIAL EVENT"** signage and an arrow.

On Saturday there may be more parking in the Central Post area, but there are many other activities going on, so parking will still be at a premium.

Below are the bus schedules and the number of buses that will be traveling during the various times. Shuttles will make continuous loops.

They will have signs indicating they are 30-Year Celebration Conference Shuttles. Please allow adequate time to get to your destinations.
