2. **Check-in:** We will have a registration table set-up at the Inverness on Monday (26 July) where you will be given a Welcome Packet with all the details of the event and optional activities for non-golfers. Just look for the '64 Banner and Greg and Teddy Olson

3. **Hotel parking:** Parking at the hotel is free and should you desire to use it, valet parking is available and included in your hotel fee.

## 4. **Denver Weather in July**

Average high: 90°

Average low: 56°

In CO always a chance of afternoon showers

5. **Dress** All three golf courses do require "proper golf attire" but that does include shorts. The opening reception will be very casual to include shorts. Come as you are as you get off the road/plane. The other evenings will be what I would call "party casual" i.e. khakis and a golf shirt for men. Given that singular piece of information wives always seem to know what to wear. I know of no place in Colorado that allows ties. Bring a sweater or light jacket for the evenings – it gets cool.

## 6. **Meals**

Breakfast: A very good full breakfast buffet included with your hotel fee. Breakfast will start at 0630 every day except Wednesday when it will start at 0600 to accommodate the longer drive to the Broadmoor.

Lunch: On own at course

Dinner: See schedule above. The price of all evening meals has been included in the registration fee.

7. **Daily Transportation** Between the extra cars provided by local classmates and cars being rented by attendees we will have sufficient daily transportation. We will organize so you can ride in the same car every day and in turn leave your clubs in the same trunk for the whole event. Fred Pope will be our on the ground Transportation Czar

8. **Golf**: The format and rules of play will be in your Welcome Packet but the play is structured around the "other" Ryder Cup with golfers being assigned to either the East or West team depending upon where they currently reside. (The exception to the other Ryder Cup format is that we will not have a Foursome/alternate shot match.) Each night after dinner our Competition Czar, Larry Bryan, will conduct the pairings for the next day's matches. As with the other Ryder Cup, the team captains will alternate putting forth a player or team for a particular match and the opposing captain will then designate his opposing player/team.

9. **Golf on Monday, 26 July:** Tony Trifiletti has arranged a practice round at the US AFA Blue Course. The exact time has yet to be determined but we have requested it to be in the morning. We will get that time to you as soon as we know. Below is a list of the players who have indicated a desire to play that day. If your plans have changed and you no longer want/can play, or if you are not listed here and do want to play, please let us know ASAP as Tony must cancel any spaces that we will not use

10. **Golf on Friday 30 July:** We currently have only three people (Larry Brewer, Bill Adair and Bill Murphy) who have expressed interest in playing this day. If we have no additional interest we will make a tee time for these three at one of the local great courses.
11. **NORAD/Cheyenne Mountain tour:** the following folks have signed up to go on the tour and this is the list that will be submitted to NORAD next week. The trip is not firm until approved by NORAD. We are hoping none of these named attendees has committed a National Security violation within the last 5 years. If anyone desires to be added or deleted to/from this list I need to know by Wednesday 30 June. This tour will be led by Randy Kunkel.

12. **Hospitality suite:** The '64 Ryder Cup Hospitality Suite will be located just to the left of the main entry to the Inverness Hotel and will belong to us 24 hours a day. It will be stocked with beverages and dry snacks. All Ryder Cup match results will be posted there daily along with a running East versus West team score.

13. **Attendees**: Below the signature block is the list of "registered" attendees with their current team affiliation. If you think you have registered and your name does not appear here please contact me ASAP. If you notice the absence of any classmate who you think would like to attend please contact them and have them contact me. Because our numbers have been accurate from the beginning (Thank you all very much!!!!) we have flexibility to add more right up until about 14 July.

See you in 30 days.
