to her parent's beloved Switzerland. As a "Swisser" she has enjoyed her dual citizenship her whole life, and speaks five languages fluently. She graduated 1985 Cornell University, Ithaca, NY -B.S. Biology. Graduated May 24, 1989 Rochester School of Medicine with a Doctor's degree in Medicine. Residency at the University of Rochester Hospital 1989. Practices pediatrics in the Rochester, NY area.

She is extremely intelligent and motivated woman who greatly enjoys her chosen profession of attending to the medical needs of children. Her medical skills have been really appreciated by her sisters-in-law and their children! Having her parents living in the same neighborhood has been a blessing to her and her husband.

Children of William Kendall Page, PhD and Dr. Stephanie Catherine Liniger, M.D. who have dual US & Swiss Citizenship, were as follows:

- 5438        **Robart Alexander<sup>11</sup> Page**, born 10 Jul 1992 in Strong Mem. Hosp, Rochester, Monroe, NY; christened 20 Sep 1992 in Swiss Protestant Ch., Erlach, Bern, Switzerland. Both sets of grandparents and many relatives attended his christening. Notes: Born 4:33 p.m. Eastern Daylight Time. He named after his 14<sup>th</sup> century Page ancestor, *Robart Page of the King's House* in England who flourish in 1367! Robbie has always been 'off the charts' as far as his height is concerned (Over 7 feet as a Junior in High School, and still growing); but coordinated enough to do well in Basketball and extremely well in Volleyball where he is competing with a private Volleyball Club at the National Level. He is ranked nationally as one of the ten best players in the country. He is also an outstanding student. As a junior in high school in Victor, NY, he was offered and accepted in April 2009 a full four year scholarship to U.C.L.A. to play Volleyball! It will be interesting to see if professional athletics or the medical profession will be his forte. His Y-DNA test results match perfectly those of his paternal grandfather, Col. George W. Page, U.S. Army (Ret.).
- 5439        **Stephen Liniger<sup>11</sup> Page**, born 12 Jan 1995 in Strong Mem. Hosp, Rochester, Monroe, NY; christened 16 Jun 1996 in United Meth. Ch., Chevy Chase, Montgomery, MD. Notes: He was christened in the Chevy Chase United Methodist Church, the church of his grand aunt Catherine Page (Ex wife of Philip Alan Page brother of George W. Page), by Rev. John C. Walker. All the Page uncles, and most of their spouses, were in attendance as were both sets of grandparents. Catherine's daughter, Kimberly Sue Page, was married in the same church the previous day. Stephen is a remarkable student, especially in math, and is in advanced math class about two grade levels ahead of his age group of accelerated students. He excels in these classes, and could follow the footsteps of his maternal grandfather, Woerner Liniger, and become a mathematician after going to a school such as Cal Tech or MIT. He could be another Sir Isaac Newton and improve our knowledge of theoretical physics

and the universe!

**Melissa Aline<sup>11</sup> Page**, born 6 Apr 1998 in Rochester, Monroe, NY; christened 2 Aug 1998 in First Presbyterian Ch., Victor, Ontario, NY. Notes: She was born in Strong Mem. Hosp. at 8:40 a.m. by C-Section. The choice of C-Section was good because she had her umbilical cord loosely wrapped around her neck four times. That would have prevented normal delivery! Melissa, being the girl in the family, has added grace and dignity to the family life. Her forte is reading and writing, in which she has done extremely well from a very early age.
