

Dear Classmates and Extended Family:

8 June 2021

You may recall that the 60@60 Collected Wisdom booklet which we published for distribution at our 60th Reunion and beyond did not get the introduction we had hoped for when our 2020 reunion plans fell victim to the pandemic. Instead, we mailed copies to all classmates who were registered to attend that epic reunion and to all the widows of classmates whom we could contact through the West Point Association of Graduates.

We have since advertised some very positive comments received after that first mailing and fulfilled subsequent orders for additional copies last summer and fall. We also suggested that the Collected Wisdom booklets would make nice gifts during the holiday season when our mobility was restricted and shopping for presents was difficult.

Now that we have conducted the reunion on Zoom instead of in-person today, we are adjusting our approach to sales of the booklet. We are going to offer discounts as a means of spurring sales and recouping the remainder of the production costs of the booklet.

We urge you to take advantage of this opportunity to pass on our legacy to family and friends for birthdays and other special occasions that frequently call for a gift. Here is the deal. We are pricing the booklets to sell, and we are waiving mailing and handling fees!

We now offer the following reduced prices:

1 copy for \$10 (still), 3 copies for \$25, 5 copies for \$40, and 10 copies for Go Like \$60!!

Please use the order form attached, and do not be shy...we have learned many lessons since entering the Military Academy almost 65 years ago. It is time to share some of that Wisdom and "pass it on"!

John Berry
