

Locurcio Limericks

2016

*There once was an Oma named Ingrid,
Who's birthday was planned and well hidden!
When at LEGOLand we gathered,
She was surprised and quite flattered,
And declared that our love was what mattered!*

*Now the Opa named Ralph was a worker,
Whose mates said that he was no shirker!
But after 51 years,
He retired with cheers,
And now passes the time savoring years!*

*So in August we thought we would rest,
And our Madison became our first guest!
Leaving siblings behind,
Dan and Kendra were kind,
And sent Maddie to Florida to unwind!*

*Now in April Brielle made communion,
It was cause for a family reunion.
In her pretty white dress,
She was admired and caressed,
Now her future is sure to be blessed!*

*In September we found Sue & Rachel,
Seeking Rachel's college to enable.
With a full scholarship,
Rachel had only one blip,
So we filled that void with a FIT!*

*So with holidays now quickly approaching,
We're happy good fortune to be toasting!
We dodged that storm Matthew,
And with lives filled with value,
We're hoping great happiness will find you!!!*

Happy Holidays !!
