**Mac and Cathy Hayes** have a new granddaughter. "Mackenzie Cathleen Hayes was born on 26 June at 8:03pm at St Rose Hospital in Henderson, NV. She was 8 lbs and 20" long with some black hair. As father Dave put it to Cathy, "Mom, she is gorgeous!" We are blessed. Mackenzie, mother Kristy and Dave are all doing fine."

**Duke Parker** sent a report of the 2006 Alumni Golf Tournament held at West Point in mid-June. "We had the highest class turnout since I've been playing (my 6th year). Classmates **Sam Champi, Tom Carhart, Ken**

**Carlson** and his son, **Frank Cosentino**, **Tom Zurla** and me. We did very well in the prize department with Tom Carhart winning the most honest golfer (highest score)- Frank, Tom and Duke tied for second in the scramble- Tom Zurla 3rd place net and I got lucky winning closest to the pin on #13. A great time was had by all and we're hoping to get more classmates out next year. The golf course is in really great shape as everyone playing during the reunion will see.”

**Jim White** spent 6 years building and completed last summer a Lancair IVP kit plane. The aircraft number N427JR represents April 27 for Jim and Roz’s wedding anniversary. Jim and Roz now fly the plane between the Washington, DC area and their Bellaire, FL home with the trip taking just over 3 hours. Jim and Roz look forward to flying the plane to our 40<sup>th</sup> Reunion.
