Andrew Ryan Houghton
September 26, 1978 - August 9, 2004

Describing who Andy was as an Army Officer, West Point Graduate, Person, Man, and Friend is an extremely difficult thing to do! No matter what we say about him, it still seems inadequate to anyone that had the honor and privilege of knowing him. Andy was one of those rare people that was able to talk to anyone no matter how young or old, no matter how simple or sophisticated, and make them feel good about themselves. He was a man of vision, character and principle.

Andy was a soldier. He was serving his country in Operation Iraqi Freedom when he sustained injuries while on patrol July 10th, 2004, near Samarra Iraq. Andy was hit by RPG rocket near the left eye and forehead, which required several surgeries before he could leave Baghdad and be transported to Landstuhl, Germany, and then on to Walter Reed Army Hospital in Washington, DC, for further treatment. He survived his injuries for about three weeks before passing on August 9th, 2005. Andy fought a brave fight, served his nation with honor, and gave the ultimate sacrifice on behalf of his nation and freedom for all.

A Foundation has been set up with proceeds from Andy's insurance to honor this soldier's memory and his great sacrifice. Many individuals and corporations have already donated to the Foundation. This Memorial Golf Tournament will help support the Foundation and it's charitable and tax deductible gifts in Andy's memory -- things like support for Taping for the Blind, sending kids to summer camp, and emergency travel fund for West Point cadets. We hope the people of Houston will honor Andy's memory and help support this worthwhile Foundation by involving themselves in this golf tournament.

The Captain Andrew R. Houghton Foundation

Thank you very much for your support of The Captain Andrew R. Houghton Foundation. Your contribution helped Andy's Foundation support the following in 2005:

Laity Lodge Youth Camp – Foundation Grant allowed 30 At-Risk, Underprivileged Teenagers to attend Christian Summer Camp in the beautiful Texas Hill Country for three days in June 2005.

Strake Jesuit College Preparatory – Foundation Grant allowed Mauricio Lombo to attend Strake for 2005-2006 school year. Mauricio, his mother Maria Theresa and his older brothers are truly inspirational. Mauricio is one of the top swimmers in the State of Texas.

Taping For The Blind, Inc. – Foundation Grant provided custom recording of printed material not available through any other source for individuals with visual disabilities.

Special Olympics – Foundation Grant supported Special Olympics efforts to provide sports training and competitions for children and adults with intellectual disabilities or closely related developmental disabilities.

USMA Combat Weapons Team – Foundation Grant supported the first Annual Houghton Memorial Three Gun Match at West Point in October 2005. This event helped with funding for the USMA Combat Weapons Team for the 2005-2006 school year.

USMA Cavalry Scouts – Foundation Grant made in October 2005 provided funding for travel, lodging and meal expenses for 35 West Point Cadets to visit several Civil War Battle Sites and learn about Cavalry history and tradition.

Your continued support will honor Andy's life of selfless service as we provide funding for worthy causes and activities that he supported. Please send your tax deductible donation to The Captain Andrew R. Houghton Foundation, P O Box 188, Comfort, TX 78013. Thank you!!
