Many fine young men and women in our Armed Forces are deployed around the world, putting their lives on the line to protect America and our way of life. Houston can be proud that a large percentage of young people selected to attend America's five Service Academies are from this area. These chosen few will serve as the future defenders and military leaders of our Country.

The West Point Parents Club of Greater Houston is proud to host the 19th Annual Joint Military Service Academies Ball at the Marriott Hotel & Convention Center in Sugar Land, Texas on Sunday, December 26, 2004. We seek to honor the commitment of our area Cadets and Midshipmen who serve and sacrifice for our Country. This event includes a reception, dinner, a distinguished guest speaker, a presentation with march-in of the Cadets and Midshipmen, the traditional Military Toasts, a POW table, and dance. It is anticipated that over 1,000 attendees will be present at this year's event, including area dignitaries, academy alumni and our most honored guests - the Cadets and Midshipmen along with their family and friends.
